PROFESSIONAL EXPERIENCE

INDUSTRIAL TRAINING (CPM PRODUCT CONTROL) | Morgan Stanley | Mumbai

May 2022 – Nov 2023

- Identified and reconciled breaks in risk-reporting systems, ensuring data integrity and timely issue resolution
- Contributed to weekly Q&A sessions aimed at enhancing the London team's daily P&L efficiency, offering insights and practical suggestions for process improvements
- Involved in the preparation, analysis, attribution, and reconciliation of T+1 and T+2 P&L, ensuring alignment with front-office and risk systems
- Prepared detailed hedging summaries (CCDS P&L), supporting risk mitigation strategies and transparency
- Compiled and presented daily end-of-day XVA Hedging P&L commentary, clearly outlining the key drivers of P&L across attribution buckets for stakeholder visibility and decision-making

ARTICLESHIP | G. S. Keni & Co. | Goa

July 2020 – Jan 2022

- Gained hands-on experience in outlet-based audits and stock audits, enhancing practical understanding of audit methodologies; notably contributed to the stock audit of BMW
- Involved in the analysis and compilation of financial statements for the purpose of statutory audits, including drafting audit reports for private companies and hospitality establishments such as resorts
- Responsible for maintaining Fixed Asset Registers, with exposure to well-known hospitality chains including The Lalit Group
- Proficient in GST reconciliation, summarization, and preparation of GSTR-9C, ensuring accuracy and regulatory compliance
- Actively participated in concurrent audits, developing an eye for transactional accuracy and internal control evaluation.
