EXPERIENCE

Associate, Deloitte Haskins & Sells LLP, Mumbai	Apr 2022 – Apr 2025
--	----------------------------

- Statutory audit: Conducted statutory audits across industries such as *financial services, trusts, healthcare, and manufacturing*, gaining valuable insights into *sector-specific financial processes, controls, and regulatory environments*.
- Limited Review: Performed limited reviews for listed companies, focusing on *financial and variance analysis to assess business performance, identify trends, and support data-driven financial decision-making*.
- Regulatory compliance: Handled certification assignments under FEMA, including Overseas Direct Investments and Annual Performance Reports, which included reviewing the financial performance of foreign subsidiaries and ensuring compliance with RBI and FEMA regulations for cross-border investments.
- Certification: Collaborated on a government-mandated certification assignment under the Production Linked Incentive (PLI) scheme for a *leading company in medical devices*, ensuring accurate financial reporting and eligibility compliance. The assignment involved *evaluating the company's financial performance* over previous years by conducting a detailed review of sales figures, debtor balances, investment activity, and other financial indicators to ensure compliance with the criteria set under the PLI scheme.
- Role of Responsibility: *Managed and guided a team of 5 members* during my article ship, effectively delegating tasks and overseeing their contributions across multiple audit and certification engagements. Ensured smooth coordination, adherence to timelines, and high-quality deliverables in alignment with engagement goals and firm standards.
- Skills acquired: Advanced excel skills like data analysis, pivot tables, lookup etc., documentation and reporting, familiarity with financial due diligence concepts through statutory audit and limited review. Led client-facing assignments independently and ensured timely project execution.

Secretariat member, India's International Movement to Unite Nations, Mumbai Sept 2018 - Nov 2018

- Organized a Model United Nations (MUN) conference in Jamshedpur, *overseeing end-to-end planning and execution* with the support of one team member.
- Successfully secured participation from 100 paid delegates by directly engaging with individuals and schools, and presenting the concept of MUNs to heads of reputed institutions. Additionally, coordinated the participation of three distinguished guest speakers from diverse backgrounds to inspire and engage student delegates.

AWARDS AND RECOGNITION

Received the ‘Move the Dot’ award twice at Deloitte, a cash reward recognizing exceptional contribution within partner-led teams — once upon my manager’s recommendation for my work on the statutory audit of a listed client, and again following commendation and positive client feedback on a certification engagement.

SKILLS

- *Technical skills:* Financial analysis, Data interpretation, Excel, Reporting requirements, client engagement.
- *Functional skills:* Communication skills, Management skills and project coordination.
