### Profile

I am a Chartered Accountant with expertise in accounting, taxation, audit, and compliance. Strong analytical and problem-solving skills, with hands-on experience in GST, income tax, financial reporting, and statutory audits through articleship training. Highly adaptable and eager to apply accounting knowledge in the finance sector, with a keen interest in financial analysis, investment strategies, and business decision-making. A quick learner with a strong work ethic, looking for an opportunity in a finance-focused role to gain industry exposure and contribute effectively to organizational success.
